

# RED CROSS STUDENT DIRECTORY

1966 - 1967

## RED CROSS STATEMENT OF PRINCIPLES

We believe in service of others, for our country, our community, and our school, in health of mind and body to fit us for greater service, and in working for better human relations throughout the world. We have joined the American Junior Red Cross to help achieve its aims by working together with members everywhere in our own and other lands.

The Verona High School Chapter of Junior Red Cross is a member of the West Essex Branch of Red Cross. Our projects, including a membership drive, and the Student Directory, are for the benefit of the high school, the community, and the world.

The Red Cross Club would like to thank all those who gave their time and energy to make the Student Directory possible. Our special thanks goes to Mrs. Holloway, our advisor, whose patience was so appreciated.
